

RAINBOW FOREST

Today is a very sunny  day. Little girl Lucy  is going to the forest. She is happy ☺ . First thing she sees is the green colour of the forest  . Some trees are already green. But the flowers  , the flowers are red, purple, blue and pink and She turns around and she sees another flower, this one is white. She likes different colours, but her favourite colour is red. There are also animals in the forest. They are usually brown or black. But Lucy sees an orange animal. Hmm..., which animal is this? Yes, it's a fox  . Lucy is very excited because of all the colours she sees in the forest. She is going back home now. She looks up in the sky and she sees a beautiful blue sky and a shiny yellow sun  . She had a nice walk in the forest. She saw a lot of different colours, just like in the rainbow  .
